## A New Chapter for The Three Horseshoes

At Cambscuisine we are delighted to be launching a new chapter for The Three Horseshoes. For many years it was an iconic Cambridge eatery. We intend to restore this beautiful pub to its former glory making the place more approachable via some décor changes, menu and pricing. In essence, however, we have for the first time in our history, taken on a building that is in fine order, with an excellent team. We hope you enjoy the place and are happy to recommend to friends and family as a great place to enjoy good food, beer and wine in a relaxed, friendly environment.
